CARMELITE

1941

★ ★ **Ex Libris** ★ ★

★ We, the members of the graduating class of 1941 of the Mount Carmel High School,

take this opportunity to express our appreciation to our parents, our Board of School Directors, our Superintendent, our Principal, and our teachers for the many sacrifices which they have made in our behalf ★ As we assume life's responsibilities, may we practice those principles of justice, morality and brotherhood of mankind which we have learned in our schools and which are the keystones of Democracy ★ As the star guides the course of the mariner, so let the remembrance of our Alma Mater ever guide us to higher and nobler ideals

OUR ALMA MATER

★ ★ ★ ★ ★ ★ ★ ★ ★ ★ ★

Foreword

★ With Virginia's ratification on December 15, 1791, the Bill of Rights, that written safeguard of our individual freedom, was proclaimed in force.

★ The Class of 1941, being the class to graduate from the Mount Carmel High School 150 years after the final adoption of the Bill of Rights, takes special recognition of that memorable event by stressing throughout this publication some of the freedoms which we enjoy as citizens of this great democracy.

★ Freedom of religion, of speech, of the press, of assembly and the right to petition the government are all guaranteed in the first of the ten articles—later to be termed the Bill of Rights—which were made a permanent addition to our constitution in 1791. Security of the people in their homes against unlawful searches and seizures; the right of trial by jury; the assurance that the government will not take one's private property without just compensation; the guarantee that soldiers will not be quartered in one's home in time of peace nor in time of war but in a manner to be prescribed by law—these are some of the other liberties which are assured the people, in writing, by our precious Bill of Rights.

★ At this time when totalitarianism, with its obvious flagrant violations of human rights, is spreading over an ever increasing portion of the world, it is fitting that we should emphasize the importance of that pledge of our government to respect our rights as human beings, that inestimable and incomparable document—the American Bill of Rights.

Miss Ada D. Bahner *Mr. Luther K. Boyer*

TO HAVE the assistance of wise counsel and mature judgment are two of youth's most valued assets. Therefore, we, the class of 1941, wish to express our appreciation to *Miss Ada Bahner* and *Mr. Luther Boyer* for the effort and time which they have sacrificed in guiding us throughout our high school life. This book is dedicated to them; may it ever stand as a monument to the three years of friendship, guidance and cooperation which they have shared with us.

TO THE CLASS OF 1941:

These are indeed troublous times. As high school graduates, you are faced with responsibilities never even dreamed of by those who have preceded you! Those responsibilities you should willingly and cheerfully accept, whether they consist of serving our nation in its armed forces, acting in the guise of skilled workers in industry, or keeping the foundations of society firm by making homes for its future citizens. We are living in a wonderful country and it is worthy of our best in health, education and character. Only an active, patriotic citizenship can pay the debt of gratitude to our forefathers for this land of ours. Therefore, be loyal to the principles of American democracy, where everyone may worship God without restraint and pursue happiness without interference.

Glee Club

The Glee Club, under the direction of Miss Margaret Williams, has contributed greatly to the activity program during the year. Its most outstanding work was the presentation of the annual operetta, "Barbarossa of Barbary".

Dramatic Club

The Dramatic Club, one of the largest organizations in the school, is composed entirely of members of the Junior and Senior classes. The club, under the direction of Mr. Charles Boleske, helped fill our year's assembly schedule with its presentation of a hilarious one act comedy, "Across the Teacups".

Band

The Red and White Band, which is composed of sixty-five talented musicians, has grown from diminutive proportions and with its increase in size has come an increase in proficiency. Besides presenting an annual concert, the band, whose aim it is to promote high school spirit, provided lively music for athletic contests and pep meetings. Much credit should be given to Mr. Joseph Stief, the director of the band, for the splendid progress made during the past year.
